SEPTEMBER 20TH, 2019

Celebrating the Superheroes of Staffing

Each year, during the month of September, staffing services unite to recognize those individuals that make the industry tick. From coast to coast, this is our opportunity to say thank you to our employees and associates going to work every day and working hard! Over the course of one year, nearly 17 million temporary and contract employees are going to work in the United States. In Wisconsin alone, the average number of staffing employees working is 355,800 annually. It is for this reason that we take a week out each year to recognize our extended team!

From September 16th through the 20th, Hatch Staffing Services is taking time to say THANK

YOU! There were four individuals that were submitted to the Wisconsin Association of Staffing Services (WASS) that stood out

as exemplary employees throughout the year and one that was submitted to the American Staffing Association as a nomination for the national award. Congratulations to Dawn Sobczak, Lavon Jude, Tahjee Mayes, Anna Retzer and Rachel Eaton. A recognition dinner for these associates along with the nominees from other area staffing services was held on Wednesday, September 18th. The dinner was

held at the Ingleside Hotel with nearly 80 attendees to bring attention to the Superheroes of Staffing.

This is one of the signature events for WASS and gives us an opportunity to recognize the true heroes of staffing—our associates!

Have you heard of HatchGRAD?

Are you a current student or have you been a student looking

for work? With the number of graduating students on the rise and the need for talent in South-eastern Wisconsin, Hatch Staffing

Services expanded our service offerings to address this need. HatchGRAD helps students transition to the work place both before and after graduation. This division allows students to build on their skills for the workplace. Gaining knowledge in the classroom is only one piece of the puzzle, taking it to the workplace allows students to leap ahead of

their peers with real world experience.

If you are someone, or know of someone looking for work, check out our [website \(www.hatchstaff.com\)](http://www.hatchstaff.com) to learn more about our services offerings.

Hatch Staffing Services in the Community

The team at Hatch continues to be active and live our value of *staying educated and involved in the community*. Over the last two weeks you could see the Hatch team at the following events:

- ⇒ Lori, RyAnn, Michelle and Kristin visited New York and the Mel Robbins show to stay focused on 54321 GO – our mantra for 2019. Watch CBS 58 for the airing of the episode they attended!
- ⇒ Several team members participated in Al's Run benefitting Children's Hospital of Wisconsin. With over 11,000 participants in the run/walk, Hatch was excited to be part of this long-running community event for a great cause.
- ⇒ RyAnn and Dan attended the Cristo Rey Jesuit High School ground breaking ceremony for their new school building. The building is scheduled to open very close to our office for the 2020-2021 school year.
- ⇒ Lori and Kristin attended the Tricom Conference that took place at the Hilton in Milwaukee. Additional team members joined in for the session on the future of the economy.

Continue to watch for us out and about and follow our social media to see where we turn up next!

What's New At Hatch? SAVE THE DATE

In 2019, an estimated 56,770 adults in the United States will be diagnosed with pancreatic cancer. While pancreatic cancer in comparison to other cancers only makes up 3% of cancer diagnoses, the current five year survival rate is only 9.3%. It is for this reason, in addition to a number of our team members that have been affected by this cancer, that we have chosen Pancreatic Cancer Action Network (PanCAN) as our signature charity for support.

We have a couple of signature events coming up and would love to have you, your family and your friends join us.

October 8th, 6:00-8:00 p.m.—Kendra Scott sipping and shopping event at the Corners of Brookfield

Information and RSVP at: <https://ksxpancreaticcancerfoundation.splashthat.com/>

November 21st, 2019—World Pancreatic Cancer Day and Fundraiser at Mo's...A Place for Steaks

June 7th, 2020—PurpleStride Walk
