Caring About the Community We Live and Work In

Being involved in the community in which we live and work was important to our founder, Susan Hatch, and was a cornerstone in the creation of Hatch Staffing Services in 1983. It has remained an important component, and one of our core values ever since. Each year, the American Staffing Association recognizes staffing organizations that display outstanding social responsibility initiatives, and we are proud that Hatch has been chosen as one of the twelve 2019 winners! We were able to receive such an honor largely due to our continued commitment and support of the Milwaukee Chapter of the Pancreatic Cancer Action Network,

our signature charity for the past two years. This charity has been near and dear to many of our internal team members who have lost loved ones to this dreadful disease. With a 9% five-year survival rate, we have worked hard to demand better and wage hope, through our involvement in PanCAN's annual Purple-Strides Walk, as well as numerous fundraising efforts throughout the year.

Our commitment to the community is also extended through our support of the Cristo Rey Jesuit High School located in our neighborhood. As one of the founding

Corporate Sponsors, we are celebrating our 5th year of adding Cristo Rey students to

our team, through their Corporate Work-Study program. We have learned so much from our students over these years and have been pleased to be able to provide them with real world business experience and training that will hopefully assist them as they navigate high school and beyond.

Watch our social media for upcoming events our team will be involved in! We would love to have you join us as we strive to make our community an even stronger place to live and work! Let's make a difference together!

Have you heard of HatchDIRECT?

I'm sure you've heard it in the news; unemployment is at an all-time low in the state of Wisconsin. This means that there are more jobs than employees to fill those jobs. Human Resources departments are stretched too thin to keep up with the demands of recruiting. This is where HatchDIRECT comes into play!

With a tenured staff of recruiting professionals, we are constantly seeking talent to fill some of the vacancies that exist in our market. If you are considering a job change, but don't have the time to search on your own, HatchDIRECT can help. If you are in HR and can't keep up with the employment demands at your company, HatchDIRECT can help.

Check out our [website \(www.hatchstaff.com\)](http://www.hatchstaff.com) to learn more about our services offerings.

Hatch Staffing Services' Newest Employees

The team at Hatch is growing!!! Not only have we added to our team, we are continuing to try to find top talent to join our team. If you feel you have what it takes to be a Hatch Staffer, contact us today!

Adam Schmidt is our new Director of First Impressions. You'll be greeted with a smile, welcomed with a hello and taken care of throughout your visit to our office. Adam has a long background in customer service, has taken the opportunity to travel the world and is bringing that experience to our team! So if you haven't had the chance to meet Adam, stop by to introduce yourself to him and see for yourself why we are so thrilled to have him on our team!

We also welcome Henry to our team! As the Director of Employee Morale, Henry brings with him experience in making people smile. In his short 13 weeks, he has put a smile on the faces of our internal team working hard to place individuals in their dream careers. He is continuously motivating, encouraging and driving employee morale to continue to make Hatch a best place to work!

Continue to watch for us out and about and follow our social media to see where we turn up next!
